

BIKE New York Metro Routes

with select railroad and trail connections

Key

Most routes operate 365 days-a-year, but not all lines operate at all times.

For more service information, check the relevant agency website for up-to-date access information; lines shown on this map are not comprehensive – please use route planning tools for navigation.

While routes are shown roughly to scale, to show access more clearly, geography on this map has been modified.

This map depicts typical year-round access in good weather. Seasonally and on late nights, these routes may change:
